LOGAN LORE

THE GREEN AND WHITE

(Alma Mater)

Close beside the mountain
In the morning light
Loveliest of banners floates
The green and the white.

Students voices raised in song
Echo through the days,
Sounding forth for Valley High
Alma Mater Praise.

As the evening sun goes down
And the night draws near,
Then we hear in memory
The song we love so dear.

REFRAIN
Green and White, Green and White,
Symbol of our school;
We will always honor thee,
To thee we'll e'er be true.

FOREWORD

The Sugar Valley Area Joint School--consisting of three districts: Greene Township, Logan Township, and Loganton Boro, serves an oval shaped valley with an area of nearly 75 square miles.

The 450 students of grades 1 through 12 who are engaged in the various aspects of the curriculum (Academic, Agriculture, Home Economics, and Business Education) are represented in many of the social, athletic, and scholastic activities organized throughout central Pennsylvania.

We, the students, extend our thanks to the Board of School Directors and Faculty for providing us with the opportunity to achieve our basic education.

DEDICATION

We the class of 1961 are proud to dedicate the class yearbookto Mr. Allen Lamey. His loyalty and conscientiousness to the school and community is a great asset. He teaches senior high social studies and instrumental music. Under his direction, our band and orchestra have grown to be fine musical organizations.

Lewis McGill
Supervising Principal

Education of the individual comes from his total experiences. Our public school system offers to young people an organized program designed to teach the fundamentals necessary for a useful and worthwhile life.

The purpose is to give each student an opportunity to have as many experiences as possible to develop mental, physical, and social growth. To each student, it is a privilege and responsibility to gain from the curriculum.

Those who strive with proper attitudes and an open mind are recipients of a fuller education.

Ernest Geisewite
Secretary
Sugar Valley Area Jointure

This, the fifth annual year book of the Sugar Valley Area Joint School, is the result of much time and effort by the Seniors of 1961. It is a fine piece of work and the class is to be congratulated.

Best of luck to each senior in whatever vocation he chooses to follow.

JUNIORS

Class of 1961:

Ahead lies a great challenge -- the challenge of the Sixties and of decades to come. You have been chosen to run the first leg in the great race that is to decide the destiny of man. Our only plea is that you run your course well. And when, in years to come, mankind looks back and reflects on you and your past, may it be said, "He has done his best." No one asks for more of his fellow man.
